

Candidates for Degrees

The following list of candidates for graduation was prepared before final grades were reported, and inclusion in this listing does not constitute evidence of graduation. The listing of a name in this program should not be construed as an indication that the person will, in fact, receive a degree from the Charleston School of Law at this commencement. Conversely, the absence of a student's name from this list does not necessarily mean that the person will not be awarded a degree. Honors for degree candidates are based on the cumulative grade point average on file at this time.

Honors to be printed on the diploma will be based on the final cumulative grade point average on all law school work. The following designations indicate the level of honors for degree candidates:
