FOR EXPEDITED CONSIDERATION

Mr. Teddie E. Pryor, Sr., Chairman
Charleston County Council
4045 Bridge View Drive, B-254
Charleston, South Carolina 29405-7464

Dear Chairman Pryor:

We, the undersigned members of the Charleston County Senate Delegation respectfully request that the magistrate currently serving at the Edisto Island Court, Judge Alvin E. Bligen, be reassigned to serve the Charleston County evening bond court from 6:00 p.m. until midnight, Monday through Friday. If Judge Bligen is reassigned, we additionally request that the Edisto Island Court be closed due to low activity and have its assigned hours reallocated to the Hollywood/Ravenel Court as it is the next closest court to Edisto Island. This action would preserve the hours for service to the community and still result in a substantial cost savings to the county.

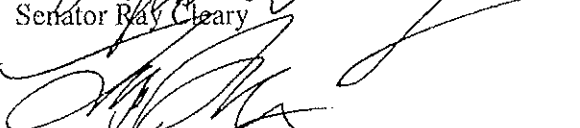

Sincerely,

Senator Chip Campsen
