

## How to vote

Polls will open at 7 a.m. and close at 7 p.m. Tuesday. Voters must have either their voter registration card, a driver's license or a state-issued picture ID.

At the polls, voters will be asked if they want to vote in the Republican or Democratic primary. Those who vote in one party's primary Tuesday can't vote in the other party's primary runoff elections June 22.

Voters will use electronic ballots with touch-screen pads listing federal, state and local candidates. Republican primary ballots also will include advisory referendum questions. Ballots will vary from precinct to precinct, depending on local races.

Voters must touch the screen next to the candidate of their choice. They may change their mind simply by touching the screen next to another candidate. Once voters decide on the candidates listed on a screen, they will touch 'Next' at the bottom of the screen. When done, voters will be asked to review their choices and can change their votes before hitting the final flashing 'Vote' sign.

To experience how the system works, go to the [www.scvotes.org](http://www.scvotes.org).

#### Advisory Question 1

The health care reform bill recently signed into law by President Obama requires all American citizens to purchase health insurance or else to pay a fine to the federal government. The legislation also contains tax benefits and other inducements that apply only to certain states, benefits that were apparently designed to persuade those states' Senators or Representatives to vote for President Obama's health care reform Bill.

Therefore, be it resolved: The South Carolina General Assembly should defend the freedom of all South Carolinians to make their own health care decisions by enacting legislation making it illegal to force the citizens of South Carolina to purchase health insurance or participate in a health care plan against their will, or to comply with any of the provisions or mandates of nationalized health care that do not apply equally to all states.

#### Do you agree with the resolution above?

Yes  
No

#### Advisory Question 2

Growth of state spending should not exceed the growth of the economy. Therefore, be it resolved: The South Carolina General Assembly should enact legislation to limit state spending growth in South Carolina to a growth rate not to exceed the lesser of the annual percentage growth in income of the State's citizens, or the growth in population plus inflation.

#### Do you agree with the resolution above?

Yes  
No

FILE/WADE SPEES/STAFF

With fire trucks removed, the Indian Field Fire Station in Rosinville had room for a steady stream of primary voters in 2008. Fire chief Edward Johnson (foreground, wearing a hat) said he was on his second shirt of the day while working as a poll manager in the un-airconditioned building.
