I have to say that I am concerned for the integrity of our final report and keeping it intact as submitted if the Mayor is going to be defending the Fire Chief and then having to explaining or release the recommendations to the public and making the two somehow equate? Surely he is smarter than that and will leave tonight's press conference to just saying that we are making progress and in these areas. He does not have to defend the fire chief doing that.

Brian A. Crawford  
Asst. to the Fire Chief  
Shreveport Fire Department  
263 N. Common St.  
Shreveport, LA 71101  
318/673-6652
